

Mortgage Loans

Wanigas Credit Union offers first [mortgage loans](#) in most states to fit your budget with low, competitive rates at affordable 15, 20 or 30 year terms and zero to two points - it's your choice.

You can lock into a low rate with a fixed rate mortgage or take advantage of the greater buying power, flexibility and low rates that an adjustable rate mortgage offers. You may want to try out our mortgage calculators to help determine how much you can afford, your payments, if it's a good idea to refinance and more.
