## WANIGAS SCRAMBLE GOLF RULES

- The event is a member only four person traditional scramble. Each player will tee off and then the best shot will be selected to hit next. Three person teams will alternate shots for the fourth shot by hole. Player "A" will hit the extra shot on the first hole, player "B" on the second hole, player "C" on the third hole and then repeat.
- Men will play from the white tees, senior men over 65 of age will play from the gold tees, ladies from the red tees.
- To speed play, this outing has a one putt rule per team member. After the team is on the green; each member will try the putt. **If the putt is not made the remaining putt is considered a gimme and should be picked up** (i.e. maximum score of two strokes after the team's ball is on the green).
- The Captain from each team is responsible for the count and accuracy of the team's score and for turning in the scorecard at the clubhouse upon finishing.

## MONEY BALL – PURCHASE AT REGISTRATION

Each team is eligible to purchase one special 'Money Ball' for the cost of \$20. The ball must be hit off the tee and played throughout each hole (by any team member). If you don't lose your Money Ball, return it at the end of the outing to be entered into a drawing to win all the 'Money Ball' sales.
